POSSER SPIETH WOLFERS & PARTNERS

#Berlin #Düsseldorf #Environmental Law
#Regulatory Law #Climate Litigation
#The State and Europe

We are there when it truly matters – covering the full spectrum of environmental and regulatory law, both nationally and internationally. With a pioneering mindset and extensive expertise, we shape cases of the highest commercial, economic and political significance.

From energy transition and climate protection regulations to the future of mobility, the planning and approval of cutting-edge large-scale projects, to financial market regulation – join our team and take the lead in major projects, litigation, negotiations, and transactions.

We offer you first-class legal training and direct client contact in complex, high-end mandates. You will work hands-on in small, highly motivated teams within a young boutique law firm that combines a dynamic corporate culture with outstanding career opportunities – and a salary level you would expect from a top-tier international law firm.

We are looking for exceptional individuals with outstanding legal expertise, ideally complemented by a doctoral degree, master's degree, or international experience. We look forward to receiving your application at karriere@pswp.de.
